ANG TAMIS NAMAN TALAGA! 😌❤️

Power couple Tom Holland and Zendaya looked so in love in the photos they posted online during their trip to Rome to promote their film “Spider-Man Brand New Day.”

“Just jumping on to say hi from our stop in Rome,” Zendaya wrote on Tuesday.

“Nowhere quite like Rome. I absolutely love it here. Spider-Man Brand New Day in theatres 29 July,” Tom added.

Tom has apparently confirmed that he and Zendaya have already tied the knot. (Instagram/Tom Holland, Zendaya)

Twenty-five years after Shaolin Soccer broke the internet with flying bicycle kicks and spirit energy goals, Stephen Chow is back behind the camera. Kung Fu Soccer just secured worldwide distribution rights through Singapore's Encore Films outside mainland China, with Chow targeting a July 10 or 17 release date to ride the FIFA World Cup wave.

The film recasts the Shaolin Soccer premise around an all-female squad called the Emei team, following their improbable run through a championship tournament while blending martial arts with football, led by Zhang Xiaofei, Dilraba Dilmurat, and Lay Zhang. This is Chow's first film as director since 2019 and he does not appear in it as an actor, having stepped back from acting after CJ7 in 2008.

The film is conceived as a multi-language release featuring dialogue in Mandarin, Cantonese, English, Korean, Japanese, and Thai. Encore's managing director described it as a film that asks whether they can win the match while breaking the laws of physics, Sources: The Hollywood

Today we remember President **Noynoy Aquino** on his 5th Death Anniversary. He was not just a secondary sponsor during our wedding in 2009, the man who administered Lex's 1st oath of office at his house in Times St QC when Lex won as Iloilo City Councilor in 2007, a textmate of Lex, the Baptismal Godfather of Alexa in 2010, the man who appointed Lex as National Youth Commission Executive Director and COO in 2015 and the one who also appointed Candice as Iloilo City Councilor for the unexpired third consecutive and last term of Lex in 2016 but he was a good friend. We even have up to this day his wedding gift for us that we still use. Thank you for everything PNOY and we will always remember you fondly.

Well you are stupid, aren't you? Robin never killed or hurt anyone. He was set-up by Cory for fooling around with Kris. Bato not only saved countless lives by dealing with the drug menace but his arrest warrant has been declared illegal by the SC.
Anyway, since you seem to be more concerned with politics rather than a real concern MAY YOU AND YOUR KIN SUFFER THE SAME FATE AS THE VICTIMS OF THE MASSACRE. Perhaps you will sing a different tune then.

Kung tuwang-tuwa kayo sa mga rape jokes, sa leader na mahilig sa 'kill, kill, kill' (Digong), harapang gustong mamugot ng ulo ng presidente (Sara), nanunutok ng kutsilyo dahil sa babae o tinatawag nating pick-up girls (Pulong Duterte), naniminger ng katulong na tulog, walang respeto sa batas, walang respeto sa kababaihan, walang respeto sa buhay, at pinutang-ina ang Diyos. Aba, huwag sisihin ang Juvenile Justice Law dahil walang bata ang ipinanganak at nangarap na maging kriminal. Nahulma ang prinsipyo, desisyon, ugali, at mga [kilos] ng mga bata ayon sa kanilang naririnig at nakikita.

Pa, mula sa bawat balot ng cotton candy, nakapagpatapos ka ng isang Atenista.
Kilala si papa ng marami bilang "Kuya Amor", ang nagtitinda ng cotton candy sa mga kalsada ng Antipolo at sa paligid ng seminaryo. Minsan sa ilalim ng tirik na araw, minsan naman kahit malakas ang ulan. Kahit pagod na pagod na siya, hindi ko kailanman narinig siyang magreklamo sa hirap ng buhay.
Habang lumalaki ako, mas naiintindihan ko kung gaano kabigat ang mga sakripisyong dala ng bawat supot ng cotton candy na naibebenta niya. Hindi lang pala ito simpleng paninda, ito ang naging daan para mapakain kami, mapag-aral ako, at maipagpatuloy ko ang mga pangarap ko.
Siguro kaya rin ako natutong mangarap nang malaki. Dahil paano ako susuko sa pag-aaral kung ang taong nagpapaaral sa akin ay hindi sumusuko sa paghahanapbuhay? Paano ko sasabihing hindi ko kaya kung araw-araw kong nakikita ang tatay ko na lumalaban nang marangal para sa aming pamilya?
At dahil dito, mas nagsumikap ako dahil gusto kong patunayan na hindi hadlang ang kahirapan sa taong may mataas na pangarap at lumalaban ng patas.
Papa, itong diploma ay hindi lang para sa akin. Para rin ito sa lahat ng taon ng pagod, sakripisyo, at pagmamahal na ibinigay mo nang walang hinihinging kapalit.
Hindi lahat ng bayani may kapa. Ang sa akin, may kariton ng cotton candy at may sipag bilang puhunan.
Happy Father's Day, Papa Lito Nepacina Amorlito Nepacina. I love you.
*Maraming maraming salamat, Office of Admission and Aid (OAA) at Ateneo sa pagbibigay sa akin ng pagkakataong makapag-aral sa pamamagitan ng scholarship. Kayo ay naging malaking bahagi ng pangarap kong mabigyan ng mas magandang buhay ang aking mga magulang at masuklian ang lahat ng kanilang sakripisyo.

TWIN EARTHQUAKES HIT VENEZUELA

Two earthquakes of magnitude 7.2 and 7.5 struck the same area of Venezuela on Thursday (PH time), causing buildings to crumble, according to the United States Geological Survey (USGS) and AFP journalists.

The quakes triggered panic in Caracas, driving people into the streets.

It remained unknown if there were fatalities, but some people were injured and buildings had collapsed, Interior Minister Diosdado Cabello said. | via Agence France-Presse

BATA PA, MAKUKULONG NA?

Pitong taon ang pinakamababang age of criminal responsibility o edad ng bata na maaari nang panagutin sa batas, kung susuriin ang datos ng ilang bansa sa Asya.

Mas mababa ang edad na ito kumpara sa 15 anyos sa Pilipinas.

Kasunod ng malalagim na insidente ng karahasan sa ilang paaralan sa bansa, muling nabuhay ang usapin na ibaba ang minimum age of criminal responsibility. Dapat na ba tayong sumunod sa ibang bansa sa usaping ito?

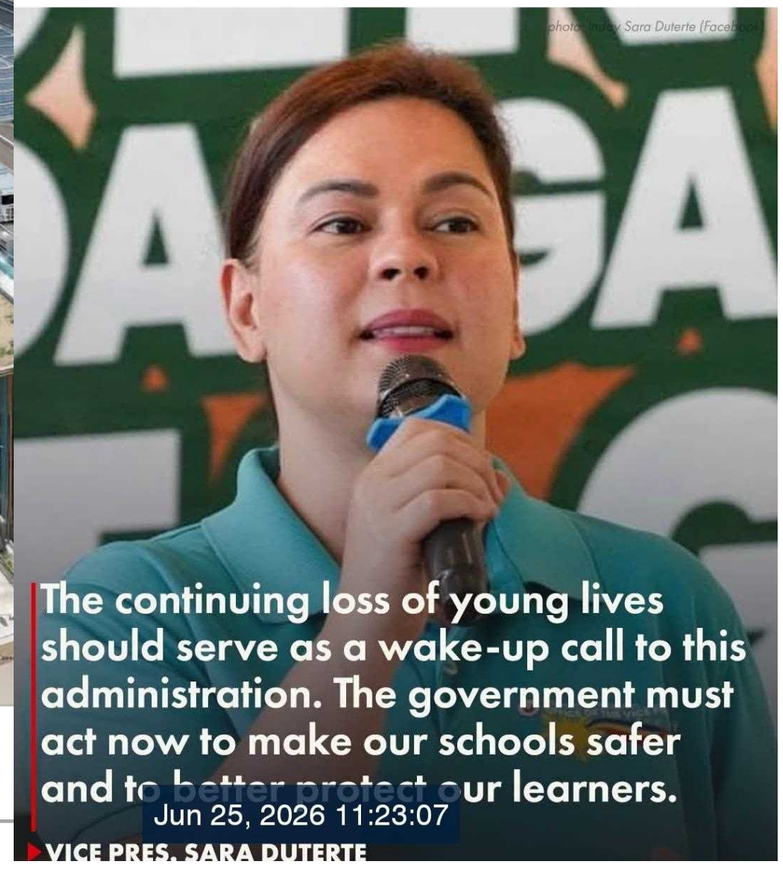
'WE CANNOT CONTINUE REACTING ONLY AFTER ANOTHER CHILD IS HURT'

Nanawagan si Vice President at dating DepEd secretary Sara Duterte sa pamahalaan na paigtingin ang mga hakbang para protektahan ang mga mag-aaral at tiyakin ang kaligtasan sa mga paaralan.

Kasunod ito ng insidente ng pamamaril sa isang paaralan sa Tacloban City.

"This tragedy also exposes the failure of the government to recognize the importance of intelligence gathering and identifying threats before lives are lost," saad ng Bise.

"The government must confront the serious gaps in our ability to protect the youth," dagdag pa niya.



The continuing loss of young lives should serve as a wake-up call to this administration. The government must act now to make our schools safer and to better protect our learners.

BANTA NG MASS SHOOTING

Napigilan ang isa pa umanong planong mass shooting sa Leyte, ayon kay DILG Sec. Jonvic Remulla.

Na-trace umano ang banta mula sa isang Grade 10 student sa Tolosa National High School, giit ni Remulla sa isang press briefing ngayong Huwebes, June 25.

Lumabas daw sa paunang imbestigasyon na isyu sa pamilya ang ugat ng pagbabanta.

LOOK: Long queues of students at the entrance of Daniel R. Aguinaldo National High School (DRANHS) in Davao City on Thursday, June 25, 2026, as the school tightens security measures following the school shooting incident in Tacloban City.

Students are advised to come to school early to avoid delays and being marked late for class.

DRANHS will also require the use of official school IDs strictly starting July 1. Temporary IDs will no longer be accepted for campus entry. | via GMA Regional TV

ULAT | Suspek sa pananakit sa loob ng jeep sa South Station, Muntinlupa, nahuli na

Nahuli na ng mga awtoridad ang suspek na sangkot sa insidente ng pananakit na naganap sa loob ng isang pampasaherong jeep sa South Station, Muntinlupa.

Batay sa salaysay ng isang saksi, isang lalaking walang suot sa pang-itaas ang biglang sumakay sa jeep. Makalipas ang ilang sandali, tatlo pang lalaki ang umano'y sumunod at agad itong pinagsusuntok sa loob ng sasakyan.

Sa takot ng mga pasahero na baka lumala pa ang sitwasyon at may dalang armas ang mga sangkot, nagpasya silang paandarin ang jeep. Gayunman, hindi rito natapos ang kaguluhan dahil inambaan din umano ng suntok ang iba pang pasahero.

Dalawang senior citizen ang nagtangkang protektahan ang mga pasahero. Isa sa kanila ang nagtamo ng matinding pinsala at isinugod sa Asian Hospital para sa medical examination at agarang gamutan.

Nilinaw rin ng saksi na walang pagkukulang ang jeep, na tinatayang nasa 0, dahil siya man ay nalagay

2026-06-25 13:21:32

Nilinaw rin ng saksi na walang pagkukulang ang matandang driver ng jeep, na tinatayang nasa edad 70 hanggang 80, dahil siya man ay nalagay sa panganib at ginawa ang kanyang makakaya upang mailayo sa kapahamakan ang mga pasahero.

Ayon sa ulat, nahuli na ng mga awtoridad ang suspek at patuloy ang imbestigasyon upang matukoy ang buong pangyayari at kung may iba pang sangkot sa insidente.

Batay sa salaysay ng saksi at inisyal na impormasyon. Hinihintay pa ang opisyal na pahayag ng mga awtoridad hinggil sa buong detalye ng kaso.

'ANONG KINALAMAN NG INTELLIGENCE GATHERING'

Columnist Ramon Tulfo criticized Vice President Sara Duterte over her statement linking the deadly school shooting in Tacloban City to what she described as the government's failure in intelligence gathering and threat identification.

In a social media post, Tulfo questioned the vice president's remarks, arguing that intelligence operations had no direct connection to a crime committed inside a school.

"Napakab*b* naman nitong si VP Sara. Anong kinalaman ng intelligence gathering sa krimen na naganap sa isang paaralan?" Tulfo wrote.

He also urged Duterte to be more careful with her statements, adding, "Bago naman bumitiw ng salita dapat isipin niya muna ang kanyang sasabihin." The remarks came after Duterte said the tragedy exposed the government's failure to recognize the importance of intelligence gathering before lives are lost.

LINO CAYETANO URGES BROTHER ALAN: 'TAMA NA'

People's Television Network (PTV) General Manager Lino Cayetano on Wednesday appealed to his brother, Senate Minority Leader Alan Peter Cayetano, to refrain from further remarks directed at civic leader Kiko Aquino-Dee, stressing that the day should instead be devoted to prayer, reflection, and remembrance.

Lino's statement came after Alan Peter criticized Aquino-Dee and his coalition, Tindig Pilipinas, which had filed a complaint before the Ombudsman in connection with the "escape" of Sen. Bato Dela Rosa from the Senate premises.

In remarks made earlier on June 24, Alan Peter told Aquino-Dee: "Just remember who you are, Kiko. Aquino ka e, hindi ka Kiko Dee-Marcos. Don't get instructions from the administration."

Responding in a social media post, Lino wrote: "Hay. Tama na, Alan."

He also apologized to the Aquino family and noted that June 24 marked not only the fifth death anniversary of former President Benigno "Noynoy" Aquino III but also the death anniversary of their father, former Sen. Rene

Cayetano.

"Apologies to the Aquino family," Lino said.

"Today is not only the death anniversary of PNoy, but also that of our dad."

Lino urged Filipinos to use the occasion as a time for solemn remembrance and renewed commitment to public service.

"Perhaps this is a good day for prayer, reflection, and quiet remembrance for honoring those we have all lost and recommitting ourselves to serving the Filipino people through our actions," he added.

Bumisita po tayo sa Tacloban City noong Miyerkules para magpaabot ng personal na pakikiramay sa mga magulang ng mga napaslang na bata at para bisitahin ang ilan sa mga nasaktang bata sa mga ospital.

Doon po tayo nakatanggap ng tip ukol sa banta ng panibagong karahasan sa ibang paaralan sa Leyte.

Agad naming binahagi ang impormasyon kay DILG Secretary Jonvic Remulla at agarang din niyang inimbestigahan at inaksyunan.

Nagpapasalamat kami kay Sec. Jonvic at sa Criminal Investigation and Detection Group (CIDG) sa mabilis nilang pagkilos para mapigil ang nasabing banta.

Sa aming pagbisita sa mga nasaktang estudyante, kanilang mga magulang at mga magulang ng mga nasawing kabataan, dalawa ang kanilang hinaing: una, ang hustisya para sa mga biktima, at pangalawa, na hindi na maulit ang ganitong klaseng karahasan sa ating mga paaralan.

Sumusuporta rin po tayo sa pag-review at pag-amend ng Juvenile Justice Law pati na rin ang pagbawal sa social media sa mga mas bata sa 15 years of age.

Ilan lang po ito sa mga repormang kinakailangan. Committed po ang inyong Committee on Basic Education na aksyunan ang mga panukalang kinakailangan para sa kaligtasan ng ating mga kabataan at ng ating

Naglabas ng matinding pahayag ang political commentator at social media personality na si Mark Anthony Lopez laban kay Presidential Communications Office Undersecretary at Palace Press Officer Claire Castro.

Sa isang social media post, hindi itinago ni Lopez ang kanyang pagkadismaya at direktang pinuna ang tagapagsalita ng Malacañang.

Ayon kay Lopez, si Castro umano ang “pinakamasama, pinaka-kasuklam-suklam at pinaka-karumal-dumal” na Presidential Spokesperson sa kasaysayan ng pulitika sa Pilipinas.

“Claire Castro is the most horrible, despicable and most disgusting Presidential Spokesperson in the history of Philippine politics,” ani Lopez sa kanyang post.

FROM AUTHORITY TO ACCEPANCE 🚑

Madali kami isturyahon sa 15th SP.

Sang Martes, nangayo sang awtoridad ang aton Gobernador nga magbaton sang duha ka Patient Transport Vehicles (PTVs) halin sa Philippine Charity Sweepstakes Office (PCSO). Sang Miyerkules, ginbaton na ni Gov. Toto Defensor ang mga ambulansya para sa aton probinsiya.

Sa padayon nga pagbinuligay kag maayo nga pagtamdanay sang Lehislatibo kag Ehekutibo nga sangay sang probinsiya, mas madasig nga mapalab-ot sa mga pumuluyo ang mga programa kag proyekto sang gobyerno.

Gani, daku gid ang amon pagpasalamat kay PCSO General Manager Melquiades A. Robles kag sa Philippine Charity Sweepstakes Office sa ila padayon nga bulig sa pagpalig-on sang serbisyo sa ikaayong lawas, indi lang diri sa Iloilo kundi pati man sa iban nga bahin sang Panay, Guimaras, kag Negros.

Together, let us continue to drive progress and build a stronger, healthier, and more resilient Iloilo. 🚑💙

‘PA-REHAB NA KAYO PLEASE’

Nagbigay ng reaksyon ang kilalang DDS at dating presidential spokesperson Atty. Harry Roque sa mga nagsasabing may kaugnayan umano ang naging kultura sa ilalim ng administrasyong Duterte sa naganap na pamamaril sa isang paaralan sa Tacloban City.

Sa isang pahayag, mariin niyang itinanggi ang naturang pananaw at sinabi:

“Yung nagsasabi na si Duterte ang dahilan sa barilan sa eskwelahan, mag-parehab na kayo please!”

Ang pahayag ni Roque ay kasunod ng mga komentong nag-uugnay sa Tacloban school shooting sa umano’y kultura ng karahasan na iniuugnay ng ilang kritiko sa nakaraang administrasyon. Patuloy namang umiigting ang diskusyon sa social media hinggil sa mga posibleng ugat ng insidente, kabilang ang usapin ng juvenile justice, gun access, mental health, at pananagutan.

“Iran peace deal no silver bullet for Fed's inflation dilemma

Peace in the Gulf may ease pump prices, but not the Federal Reserve's bigger problem: a U.S. economy that may already have been overheating before the Iran war. If oil retreats to pre-war levels, it could even spur demand at a critical juncture and worsen cost-of-living fears.

CYBERLIBEL VS CAYETANO, MARCOLETA, 18 ‘EX-BODYGUARDS’

Former senator Antonio Trillanes IV files cyberlibel case against Senator Alan Cayetano, Senator Rodante Marcoleta, and 18 “ex-bodyguards” before the Department of Justice on Thursday.

“Ngayong araw, nag-file ako muli ng kaso na Cyberlibel laban sa 18 ‘ex-bodyguards,’ kasama na rin sina Cayetano at Marcoleta. Ito ay ukol sa rogue Blue Ribbon hearing na ginawa nila. Tuloy-tuloy lang ang pagsasampa ko ng kaso sa mga ito hangga’t patuloy ang kanilang pagsisinungaling,” he wrote. (Facebook/Antonio Trillanes IV)

Liwat nga nagpatutsada si Senate Minority Leader Alan Peter Cayetano batok kay Senator Ping Lacson nahanungod sa liderato sini bilang anay chairperson sang Senate Blue Ribbon Committee.

“Halos lahat ng naging chairman dyan, sinusundan ang ebidensya. Halos lahat ng naging chairman… may reklamo ka man, hindi nila sasabihing… ‘komite de absuwelto’ or iwa-whitewash,”suno kay Cayetano.

SPED CENTER SA ZAMBOANGA DEL SUR, NILOOBAN AT WINASAK NG MGA MENOR DE EDAD

Matinding pagkadismaya ang naramdaman ng Special Education (SPED) Center sa Brgy. San Carlos, Tukuran, Zamboanga del Sur matapos muling mabiktima ng paninira at panggugulo ang kanilang paaralan.

Mas lalong ikinalungkot ng pamunuan ng eskwelahan ang ulat na mga menor de edad na umano'y out-of-school youth ang sangkot sa insidente.

Sa mga larawang ibinahagi ni Mayet Tubac, makikita ang magulong kalagayan ng silid-aralan matapos itong pasukin at halughugin. Ayon sa ulat, naghahanap umano ng pera ang mga suspek upang pondohan ang kanilang bisyo.

Ayon rin sa uploader ng post na tila limitado ang maaaring gawin ng mga awtoridad dahil sa murang edad ng mga sangkot. Gayunman, nananawagan ang paaralan para sa pananagutan, tamang interbensyon, at mas mahigpit na paggabay ng mga magulang.

"We are not asking for harsh punishment. We are asking for accountability, proper intervention, and parental guidance. Being young should never be an excuse to destroy, steal, or disrespect the efforts of teachers, parents, and the community," pahayag ng Tukuran SPED Center.

"I WAS A KILLER AT AGE 16"

Duterte's 2017 admission resurfaces as Tacloban school shooting reignites debate on juvenile crime. A nearly decade-old statement by former President Rodrigo Duterte claiming he had killed someone at age 16 has resurfaced following the deadly school shooting in Tacloban City, where two minor students are involved of killing their classmates.

In a speech before the Filipino community in Da Nang, Vietnam in November 2017, Duterte said he had stabbed and killed a person during a rumble when he was 16 years old. "At the age of 16, may pinatay na ako. Tao talaga. Rambol. Saksak... Eh lalo na ngayong presidente na ako."

At the time, Duterte used the anecdote to reinforce his administration's hardline campaign against illegal drugs. His remarks drew widespread criticism, although then-presidential spokesperson Harry Roque Jr. later said the President had been joking and was known for using colorful language.

The remarks have gained renewed attention after the June 22 shooting at San Jose National High School, where two Grade 9 students, aged 14 and 15, allegedly opened fire on fellow students and teachers, leaving three students dead and about 20 others injured. Police said the suspects have cited bullying as a possible motive, although the investigation remains ongoing.
The incident has reignited public debate over how the justice system should deal with minors accused of committing heinous crimes.

Under the Juvenile Justice and Welfare Act, children aged 15 and below are generally exempt from criminal liability unless authorities establish that they acted with discernment. Those above 15 but below 18 may also be exempt under certain circumstances, although they remain subject to intervention programs and other legal proceedings.
Following the Tacloban tragedy, several lawmakers have renewed calls to revisit the law, while others insist that existing provisions already allow accountability for minors

Jun 25, 2026 15:12:10

Following the Tacloban tragedy, several lawmakers have renewed calls to revisit the law, while others insist that existing provisions already allow accountability for minors involved in serious offenses.

The juxtaposition between Duterte's own account of committing a violent act at age 16 and the Tacloban case has fueled discussions on social media over youth violence, criminal responsibility, and the influence of public rhetoric.

Duterte, who is currently facing charges before the International Criminal Court over alleged crimes against humanity linked to his anti-drug campaign, has consistently denied criminal responsibility through his legal team. The ICC proceedings are separate from the Tacloban investigation and involve different legal issues.

While the two cases are unrelated, both have intensified national conversations about violence involving young people, accountability under Philippine law, and the broader societal factors that may contribute to juvenile crime.

WHAT WE KNOW SO FAR:

WHO IS 'MARY GRACE PIATTOS'?

AS OF 1:00 PM, JUNE 25, 2026

- "Mary Grace Piattos" is among the witnesses listed by the House prosecution panel for the impeachment trial of Vice President Sara Duterte.
- The name "Mary Grace Piattos" first surfaced during a 2024 House inquiry into the alleged misuse of ₱612.5 million in confidential funds by VP Sara's office and the then VP-led DepEd.
- In documents presented, "Mary Grace Piattos" is a signatory in the OVP's acknowledgement receipts as one of the recipients of confidential funds in 2022.
- The Philippine Statistics Authority confirmed it has no record of anyone by that name.
- "Mary Grace Piattos" is a combination of a popular restaurant and a local snack brand, according to House representatives.
- Michael Poa, VP Sara's legal counsel, in Feb. 2026: "Specifically the 'Mary Grace Piattos,' we are ready to respond to that and explain bakit may mga ganyan."

ON PROPOSALS TO LOWER AGE OF CRIMINAL RESPONSIBILITY
PHILIPPINE ALLIANCE OF HUMAN RIGHTS ADVOCATES
The public should stop believing the false narrative that children are exempt from accountability. They are not.
The answer to a broken system is not to criminalize children earlier... Children need accountability, but accountability should lead to restoration—not lifelong criminalization. If we truly want safer communities, we must invest in preventing violence, not simply lowering the age at which we punish it.
PAHRA
Akbayan President
RAFAELA DAVID
The Juvenile Justice and Welfare Act holds minors who commit crimes, especially heinous ones, accountable.
AMNESTY INTERNATIONAL PHILIPPINES
In moments of grief and public outrage, the government must resist punitive responses that have repeatedly proven ineffective and instead uphold its mandate to protect every child while ensuring accountability by upholding human rights standards.
Representative
JOEL CHUA
There are ways within current laws and rules to render justice for the victims... Current laws already provide avenues for accountability. A child involved in a serious crime does not simply walk away without consequences.
Gabriela Rep.
SARAH ELAGO
Sa halip na ibaba ang edad ng criminal responsibility, dapat tutukan ng gobyerno ang kakulangan sa mental health services, guidance counselors, social workers, support mechanisms sa mga paaralan, at children and youth development facilities tulad ng mga community libraries.
COMMISSION ON HUMAN RIGHTS
Accountability, child protection, and the pursuit of justice are not mutually exclusive... Only through a rights-based and child-sensitive approach can we honor the victims, support those affected, and help prevent similar tragedies from happening again.

A PRAYER
FOR
THOSE SUFFERING
FROM CANCER
Lord Jesus, Divine Healer and Comforter of the afflicted, look with love upon all who are suffering from cancer.
Grant them strength in moments of weakness, peace in times of fear, and hope when the road seems difficult.
Ease their pain, bless their treatments, guide their doctors and caregivers, and surround them with Your healing presence.
May they never feel alone, for You walk beside them in every trial. Fill their hearts with courage and trust in Your unfailing love.
Through the intercession of the Blessed Virgin Mary, St. Peregrine, and all the saints, grant them comfort, healing, and the grace they need each day.
AMEN.

Augustus of Prima Porta

Augustus (63 BC – AD 14) was the founder of the Roman Empire and the first Roman emperor from 27 BC until his death. In his youth, his great-uncle Julius Caesar named him as his primary heir, and after Caesar's assassination in 44 BC he inherited his estate and took his name. He seized power by marching on Rome in 43 BC, and he, Mark Antony and Lepidus formed the Second Triumvirate. Competing ambitions tore the alliance apart, and Augustus was triumphant, taking imperial power. Augustus enlarged the Empire, but suffered a major setback in Germania. He protected Rome with a buffer of client states and secured peace with the Parthian Empire and the Kingdom of Kush. He developed Roman roads, with an official courier system; established a standing professional army, the Praetorian Guard, as well as official police and fire-fighting services for Rome;

ANGHEL NA MAY DALANG KRUS, NAKITA NG MGA ESTUDYANTE?

Nagdulot ng iba’t ibang reaksiyon sa social media ang isang video na kumalat kamakailan kung saan sinasabing may nakita umanong anghel na may dalang krus sa himpapawid.

Ayon sa mga ulat, nakita umano ito ng ilang estudyante bandang alas-12:30 ng tanghali habang palabas ng campus ng Saint Mary’s College (SMC) sa bayan ng Labason, Zamboanga del Norte. Marami sa mga mag-aaral ang nagsabing malinaw diumano nilang nakita ang kakaibang anyo sa kalangitan.

Batay sa mga larawang ibinahagi online, kapansin-pansin ang pagkakatulad ng mga salaysay ng mga estudyante na nagsabing isang anghel na may dalang krus ang kanilang nasaksihan. Gayunman, ayon sa ilang guro na nagsagawa ng pagtingin sa lugar, wala silang nakitang anumang hindi pangkaraniwan maliban sa mga ulap sa kalangitan.

Sa kabila nito, nanindigan ang mga batang nakakita diumano sa pangyayari na tunay nilang nasaksihan ang naturang anyo. Dahil dito, marami ang nagbigay ng sari-sariling interpretasyon.

Samantala, hinihikayat ang publiko na maging maingat sa pagbibigay ng konklusyon. Bilang mga mananampalataya, mahalagang pairalin ang pagninilay at paghihintay sa anumang opisyal na pahayag mula sa Parokya o sa kinauukulang awtoridad ng Simbahan bago magpasya tungkol sa tunay na kalikasan ng nasabing pangyayari.

Sa kasaysayan ng Simbahan, ang mga ulat tungkol sa mga pambihirang pangitain o pagpapakita ay maingat na sinusuri upang matiyak ang katotohanan ng mga ito at maiwasan ang maling interpretasyon ng mga mananampalataya.

NOTE: WAG KA MUNANG MAG-KONKLUSYON! Maghintay sa opisyal na impormasyon galing sa simbahan.

This is Intel N-Series, and it's BAAAAAAAAAAD

Okay, since marami ang nagtatanong sa akin kung ano daw ang maire-recommend kong laptop sa price range na ₱18K to around ₱20K, eh kilala mo ba si eddie?

Edi walaaaaaa.

No joke, kung ganyan ang budget mo kasi for a brand-new unit, lahat halos ng makukuha mo, puro laptop na:

❌ may mahinang processor, so worst ang performance sa buong batch
❌ entry-level, so pinakamahinang build quality din
❌ hindi upgradable, so kapag nabagalan ka, wala ka nang magagawa kundi bumili ng bago.

And that's the reality: mapapalaki lang ang gastos mo lalo since hindi ka makakaasa ng maayos na performance out of these bottom-dwelling devices, mas mataas ang likelihood na masira agad, at mas mataas ang long-term cost of ownership (remember, mas matagal mong magagamit nang maayos ang isang device, mas mababa dapat 'to).

✅ BETTER YET, GO WITH SECOND-HAND UNITS INSTEAD

Legit, sa price na 'yan, sobrang dami mo nang makukuhang maaayos na unit na hindi ganon kaluma. Mga business-grade laptops pa kamo.

Mga naka-i5 (or even i7) na behind lang ng ilang generations. Tapos upgradable pa. Pramis, you're better off with those used laptops instead.

📌Wag ipilit na brand-new ang kunin kung maliit ang budget, kung ayaw mong mapagastos ka lalo nang mas malaki, ngayon dahil sa kabagalan ng ganitong mga laptop, and on the long run,

💬 Magkano ang pinakamaliit na budget na "acceptable" sa'yo para sa isang "acceptable" na laptop?

📷 LANS (keep up the good work)
